

Camping rules 2010

Due to the problems that have occurred with our camping over the past few years we've been forced to set some rules for the camping.

- If you want to use our camping you'll have to register this at the same time as you register your team for the Kubb WC.
- The camping will open Thursday 5/8 at 12 pm and close Sunday 8/8 at 12 pm.
- The camping is free of charge and therefore takes place at personal risk.
- If you choose to use our camping you'll be assigned a square that you will dispose and be in charge of.
- Every square will get two garbage bags, if you need more you can get them from our sanitary technician. When you leave your camping square it should be clean and tidy, if not you'll be charged with a 500 Skr fine.
- We have electricity, if you want to use it please bring a long cord.
- In consideration of the other campers and the people that live near by it should be quiet at the camping by midnight both Thursday and Friday. PLEASE SHOW SOME RESPECT!
- Camping guards will be at the camping during the night.
- The camping guards have the right to remove you from the camping if the order is disturbed. If you refuse your vehicle will be removed at YOUR expense.

It should be a fun experience to camp during the World Championship in Kubb, therefore show each other, the people of Rone and the Kubb staff respect and consideration!
